We are looking for adults to join our fun and friendly choir. Why not join our energised weekly classes, singing uplifting and popular songs.

There's no experience needed, no auditions and no sheet music; absolutely anyone can do it! Even if you think you think you can't sing you are still welcome! We'll laugh, we'll sing, we'll socialise and those who like the idea of performing can do that too. We promise it will be a fun and uplifting experience and it will also improve your health and wellbeing!
