ABOUT US

- ✓ The Triage skills team deliver classroom based and online training for those individuals who are keen to improve their skills.
- ✓ For some contracts, our skills delivery is about helping individuals gain the skills to move into employment, but for others it could simply be about helping people learn new skills or move into education.

Eligibility criteria:

- 19 years or older (on or before 31/08/2022)
- In receipt of benefits or earn less than £27,040 per year
- Lived in the UK for over three years
- Not in other forms of education or training

Employability courses

These courses focus on mindset, progression, personal development and work skills.

Digital skills

These courses are aimed at those who have a basic knowledge of using a computer and have the ability to turn one on, navigate a keyboard/mouse and log onto the internet.

Sector taster course

These courses allows learners to explore a number of different sectors and jobs within each of them.

Vocational training

We offer a variety of training courses across a number of different sectors:

- Warehouse
- Business administration
- Care
- Childcare
- Cleaning
- Retail
- Hospitality
- Customer service
- Management

NEW courses now available:

Understanding climate change and environmental awareness (Level 2)

This course will teach learners all about the principles of climate change so that you can drive positive change and become 'greener' in the workplace and at home.

Mental health awareness (Level 1)

This course allows learners to develop mental health awareness and raises awareness of the multiple mental health difficulties people face on a daily basis. This course is perfect for a multitude of job roles.

Are you in work but still interested in learning?

We also offer higher-level qualifications that can help you progress your career.

TEES VALLEY MAYOR
