

TYPE 1 AND TECH 2020

Getting together to review technology for type 1 diabetes and how to improve access.

Date: Saturday, 14 November 2020

Time: 10:30am to 2:30pm

Where: Online via Zoom

On World Diabetes Day 2020, the Diabetes UK Cymru team will present their third Type 1 and Tech Conference. You can expect to hear about:

- How to find the right tech to support you
- How can more people access technology?
- How tech can help us get through COVID-19
